

Class Information

The weekend before class begins you will be sent your system user ID and password to login to our community support and learning system. IF YOU ARE AN MTM MEMBER: The course will automatically appear in your MY COURSES list the day the course begins.

Our classes do not require you to be present at a specific time of day. We use downloadable lessons, message boards, and an online event room to allow you to work through each lesson whenever it fits into your day.

On the class portal page you will be able to:

- Share on our private message board. and receive step-by-step guidance on the journey.
- Access and print or download your lessons and worksheets.
- Network with other class members through the instant messaging system, or message boards.
- This portal is extremely easy to use, no internet or message board finesse required.
- Classes with an asterisk include a pass to our Online Sprinting/ Housework Helpers area. This area provide a moderated room to work on projects and get things done! Open 6:00AM to 11:PM CST Monday through Friday and 9:00AM to 11PM CST on weekends (excluding special events). Non-moderated rooms are also available 24/7. (\$9.95 a month value)
